

STATEMENT OF SLEIMAN SALEEBA

Name	Sleiman Saleeba
Address	Address known to Ashurst
Occupation	Delivery Excellence Team member, IBM GBS
Date	29 May 2013

I state that:

1. I am presently employed by IBM Australia Ltd (**IBM**) within IBM's Global Business Services Delivery Excellence Team. I currently perform contract and commercial management roles.
2. I am familiar with IBM's involvement with the SSSP. In particular, I was involved in the contractual negotiations for the 5 December 2007 contract. As a part of my duties, I have access to business records that are created and kept in the ordinary course of IBM's business. I have assisted with the access, review and locating of documents, including project documents, related to IBM's participation in this Commission of Inquiry.
3. I have been shown a document which is a spreadsheet relating to deliverables under Statement of Work 12, which I have been told by Ashurst is part of exhibit 128 before the Commission (the **SOW 12 Spreadsheet**).
4. From the records I have had access to, I can say that the SOW 12 Spreadsheet forms part of the business records of IBM which were prepared and maintained during the course of the Shared Services Program.
