Subject: Incorrect reference - Margret Bereny Statement page 33 of 55

Please note that I have been named in a statement made by Margret Berenyi, as having the role of IBM Implementation Manager on the QHIC Payroll Project. This is incorrect. My role was Cutover Lead, reporting to an Implementation Manager, who reported to the Project Manager. I was not part of the Management Team on this implementation. I am requesting that this is corrected. Note - the Implementation Manager was removed just prior to go live however I was never moved into the role of Implementation Manager, nor was I part of the project management team.

Looking forward to hearing from you regarding this issue.

kind regards

Paula dann
